Sir:

In response to the Final Office Action dated February 25, 2003, Applicants respectfully request reconsideration in view of the amendments and following remarks.

IN THE SPECIFICATION

Please Amend the paragraph in the Specification on page 4, beginning on line 20 to read as follows:

These and other objects, which will appear from the description below, have now completely or partially been achieved by means of a fluid conveying tube and a vehicle cooler according to the appended claims. Preferred embodiments are defined in the dependent claims.

IN THE CLAIMS

1. (Four Times Amended) A fluid conveying tube for vehicle coolers, which on its interior comprises:

first and second opposing longitudinal primary heat-exchange surfaces,
said surfaces having flow-directing surface structures;
